

MOVE BEYOND
A Career Counselling School

First-ever online career counseling summit 2020 in J-K successfully concluded

NIT Srinagar's social start-up Move Beyond hosts webinar for NEET aspirants

'Asia's Leading Career Counseling Meet, 2021' held at NIT Srinagar

Move Beyond- A Career Counseling School is a social startup incubated by Innovation Incubation and Entrepreneurship Development Centre, National Institute of Technology, Srinagar. It has been founded by a young innovator, Sheikh Inayat Ullah, with a mission to make career counseling accessible to all the students of Jammu & Kashmir along with facilitation support to place students in different institutions across the globe. The activities pertaining to career development are carried under the banner of International Youth Outreach and Employability Program (IYOEP).

Move Beyond strives to help the students in fulfilling their career aspirations and socio-economic needs through professional career counseling, awareness, mentorship, skill development, life counseling, employability and rehabilitation. It also assists and guides the students in applying for international scholarships and admissions.

Move Beyond is working on the principle of ARDSA (Analyzing Requirements and Designing Solution Architecture) and as such has developed scientific innovative models recognized by IIEDC, NIT Srinagar.

The startup has been organizing several free events and webinars that include an awareness event on Fulbright Fellowships at University of Kashmir, first ever international online Career Summit (2020), webinars on Startup Ecosystem in J&K and fashion designing. It has also organized Asia's Leading Counselling Meet (2021). Such events aim to guide and assist the students in their career development. Move Beyond has planned numerous initiatives to reach out to students of J&K and help them in their career development and employability.

Move Beyond has recently launched its exclusive online educational series Career Chat. It aims to connect the young students of J&K with the eminent career achievers across the globe. It has also started another live series-Success Tales that connects the students with the toppers of different competitive examinations. The idea is to inspire and provide direction to the aspiring students who are in the process of making and shaping their careers.

Furthermore, Startup Move Beyond has also signed a MoU with IIEDC, NIT for leading holistic development of the UT of J&K particularly youth outreach and employability. The Chief Patron of the Youth Outreach and Employability Program (IYOEP) is Prof Rakesh Sehgal, Director NIT Srinagar, Patron is Prof Saad Parvez, Head IIEDC, NIT Srinagar, Program Director is Sheikh Inayat Ullah, Founder / Director Move Beyond and Chief Consultant is Prof Nisar Ali, economist of repute, formerly Adviser to J&K Govt., Higher Education Department.

In addition to it, the startup has a mentorship team from NIT Srinagar as well that comprises of Prof Ajaz Ahmad Mir, Prof Shabir Sofi and Prof Ahsan Chisti.

The full time team members of the startup Move Beyond include Sheikh Inayat Ullah, CEO, Dr. Muslim Jan, Senior Media Consultant, Mohsina Dawood, General Manager (MBA, M.Phil. Gold Medalist), Arbeena Shah, Associate Media Consultant (MA Journalism, Gold Medalist), Syed Irfan bin Inayat, Senior Digital Media Consultant (MBA Digital Marketing), Sheikh Atufa, Associate Digital Media Consultant (MBA IT) and Saima Fazili, Office Secretary (MA Economics) apart from other freelancing and part-time team members.

Its student centre is located at Wazir Bagh, Srinagar, Kashmir near LD Hospital.
