Event Summary

The Technology Club of NIT Srinagar organized a student-focused business event on 1st September 2026 at Hi-Tech 5, with the objective of providing students with an engaging platform to explore business, entrepreneurship, management, and related areas.

To facilitate student participation, 108 seats were made available for the event. The program received a strong response from students, with 96 students participating in the session.

The event provided students with an opportunity to engage with the Technology Club and learn more about its vision, activities, and opportunities. The session was designed to encourage students to take an active interest in business-oriented activities and develop practical exposure beyond the academic curriculum.

Highlights of the Event

- Fintech Fusion Introduction – An overview of the Technology Club, its vision, activities, and opportunities for students.
- Interactive Session – Students actively participated in the session and engaged with the activities conducted during the event.
- Business & Entrepreneurship Exposure – The event provided students with an opportunity to explore business-related concepts and develop an interest in entrepreneurial and managerial activities.
- Student Participation – A total of 96 students participated out of the 108 seats made available.
- Club Engagement – The event served as a platform for students to connect with the Technology Club and understand its future activities and initiatives.
