Corrigendum

With reference to GeM/2024/B/5206985, dated 26.07.2024, concerning the procurement of High-Performance Computing (HPC) systems, it is hereby informed to all concerned parties that the clause **"OEM brand should have a minimum of 10 entries in the latest list of worldwide Top 500 Supercomputers"** has been revised, in view of the representations received.

The revised clause is as follows:

***"The Bidder or its OEM {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization /PSU for 03 years before the bid opening date. Copies of relevant contracts to be submitted along with bid in support of having supplied some quantity during each of the year. The OEM should provide documentation or references for the supplied systems, including client names and contact information for verification. This experience should demonstrate the OEM's ability to deliver reliable product and support services that meet industry standards. Additionally, the OEM should present performance records or case studies that demonstrate the reliability and satisfaction of previous clients. A concise overview of the support services provided, including response times and resolution rates, should also be included."***

All other terms and conditions specified in the original bid document/corrigendum remain unchanged and continue to apply.
