

Department of Mechanical Engineering
National Institute of Technology, Srinagar

Dear Students,

You are instructed to go through the uploaded lecture notes from which you will get an idea about the fundamental and theoretical aspects of the subjects. Moreover, to cover the numerical portion, you are instructed to go through the solved examples from the attached books of relevant topics. Furthermore, you are also advised to go through the NPTEL video course of the Kinematics of Machines by Prof. Ashok K. Mallik of IIT Kanpur (<https://nptel.ac.in/courses/112104121/>). If you require any further information, feel free to contact me at mohsinkhan@nitsri.ac.in.
