

**OFFICE OF THE DEAN ACADEMIC AFFAIRS
NATIONAL INSTITUTE OF TECHNOLOGY, SRINAGAR**

All Heads of the Departments,

Subject: Conduct of Remedial Classes.

The committee constituted to examine/report the causes of stress among the students and possible remedial measures, has recommended that remedial classes be conducted for students with backlogs.

In this direction, the competent authority has approved the start of remedial classes for all weak and backlog students in all the Departments. The backlog students have to be identified and motivated to attend the remedial classes. The attendance in such classes should be made compulsory.

Remedial classes may be conducted during winter/semester breaks as well, using services also of contractual/temporary faculty.

By Order,

**(Prof. Mohammad Shafi Mir)
Dean Academic Affairs**
