proof) must be combined into a single PDF file and sent via email to mohsinkhan@nitsri.ac.in or delivered in person to the office of the Mechanical Engineering Department, NIT Srinagar. The subject line should clearly indicate "Application for the post of JRF under Project Title "Design and Development of Novel TiN-CrN-ZrN functionally graded composite coatings for biomedical implant material". **The last date for receiving applications is 10th December 2024.**

Screening and Interview Process

- Candidates will be shortlisted based on merit and project requirements. Meeting the eligibility criteria does not guarantee shortlisting. Shortlisted candidates will be notified via email and invited for an interview, which is expected to be conducted shortly after shortlisting. The selected candidate is expected to join within a week of the interview date. Please note that no TA/DA will be provided to attend the interview in physical mode.

Note: *The recruitment process for the Junior Research Fellow (JRF) position, previously advertised on 1st July 2024, has been cancelled due to administrative reasons. Eligible applicants from the previous advertisement are encouraged to submit their applications again under the revised process if they meet the updated criteria.*
