No:NITS/PD/22/715

Date: 01.06.2022

Faculty Advertisement No. NIT/Faculty-Recruitment/2022/1(F),

Date: 14th February, 2022

The list of **Eligible/Not Eligible** candidates for the Assistant Professor G-II L-10 (AGP-6000) positions in the department of Chemical Engineering is given as under for filing objections, if any. The candidates can submit their representations in the office of the Registrar by or before **08th June 2022 up till 5:00PM** or on email facultyrecruitment2022@nitsri.net supported by relevant documents. No claim whatsoever shall be entertained after the expiry of the last date.

Further, in view of large number of eligible candidates, the Institute has decided to conduct screening test at the NIT Srinagar Campus, Hazratbal Srinagar. The date of the test—most likely in the 3rd week June, shall be confirmed / notified separately. The screening test shall be on Multiple Choice Question (MCQ) pattern with 60 questions to be attempted in 90 minutes. Each right answer shall have 04 marks and there shall be 1 negative mark for each wrong answer. The minimum cut-off score shall be 48 marks (20%). Only those candidates who would score more than the cut-off shall be considered for preparation of the shortlist for interview. The candidates shall be called for interview in the ratio of **1:7** (1 Vacancy: 7 Candidates) in the order of merit of the screening test. However, there shall be no weightage of the screening test score in the final selection. Since, no category vacancy is available in Chemical Engineering Department at Assistant Professor G-II, L10 level; the eligible category candidates shall be competing for UR vacancy therefore no relaxation in merit or cut off shall be given. The syllabus for the screening test for the above said department is available on the Institute website (www.nitsri.ac.in). The candidates in their own interest are advised to regularly visit the Institute website for further updates. All recruitment related updates shall be uploaded on the Institute website only.

Assistant Professor (G-II) L10 Chemical Engineering
