Message from the Director.

Dear Students,

As I complete my term as the Director of this great institution, I would like to express my heartfelt gratitude for the cooperation and dedication, I have received from each and every one of you. It has been a privilege to work with such a talented and motivated group of students. Your hard work, dedication, and commitment to excellence have been an inspiration to me and to the entire faculty and staff of NIT Srinagar.

As you move forward in your academic and professional lives, I would like to offer you some advice. Always strive for excellence, be curious, and never stop learning. Remember that success is not just about achieving your goals, but also about contributing positively to society and making a difference in the world.

I wish you all the very best for your bright future. You are the future of our country, and I have no doubt that you will make us proud. Stay true to your values, be kind, and continue to work hard towards your goals.

Once again, thank you for your cooperation & commitment. It has been an honour to mentor you, and I will always cherish the memories of my time at this great institution.

Best wishes for a bright future.

Sincerely,

Prof. Rakesh Sehgal.
