

Online Faculty Development Program

On

ONLINE TOOLS FOR EFFECTIVE TEACHING

Organized by: Department of IT, National Institute of Technology Srinagar

Sponsored by: AICTE, Faculty Development Cell

26 – 30 March 2021

About NIT Srinagar

National Institute of Technology Srinagar is one of the premier educational Institutes in the Northern regions of the country. It was established in 1960. The institute is located on the banks of world-famous Dal-lake on one side and the world famous Hazratbal Shrine on the other side. The institute offers B.Tech., M.Tech., and Ph.D. courses in diversified areas of Engineering and Science.

Objective of the FDP

The prime focus of the FDP is to introduce the faculty members to various online tools that can enable effective teaching. Last year, when the COVID pandemic got the whole Academic World to a stand-still, online teaching came up as the need of the hour. However, now it is seen as an effective partner for blended mode of teaching. In this FDP, we will introduce the tools and techniques which will enhance its effectiveness.

Contents

- Overall course structuring, website creation
- Online content development and MOOCs
- Online tools like Google classroom, Jam board, LaTeX, Gradescope, OneNote, Piazza
- Plagiarism check for Assignments

Participants

The program is open to all faculty members and research scholars of AICTE approved institutes and other Universities/colleges of Jammu & Kashmir, and Ladakh UTs.
