## About NIT Srinagar

National Institute of Technology, Srinagar was established in 1960 as the Regional Engineering College, Srinagar. The Institute acquired the status of NIT in August, 2003 and attained full autonomy in its Academics. In 2007, it became an Institute of National Importance. It is one of the 31 NITs, and it is directly under the control of the MHRD. The Institute is situated on the banks of the world-famous Dal Lake. Besides running various undergraduate, post graduate and doctoral programs, Institute has also established an Innovation Incubation and Entrepreneurship Development (IIED) center.

## About IST-2024

This event will spotlight groundbreaking developments across several key tracks: sustainable construction and manufacturing, e-mobility, next-generation technologies, and recent trends in science and engineering. The conference aims to foster collaboration and knowledge exchange among researchers, academicians, and industry professionals, providing a platform to discuss innovative solutions and emerging trends. Attendees will have the opportunity to explore cutting-edge research, engage in thought-provoking discussions, and network with experts in various fields, contributing to advancements in science and technology.
