Program at a Glance of SANGAM - 2026 From 29<sup>th</sup> to 31<sup>st</sup> May 2026

**SANGAM – 3.0 (ABC @ NIT Srinagar)**

**Workshops and Hands-on academic programs to remain a key focus**

Dear Alumni, Faculty & Students

20<sup>th</sup> May 2026

Greetings from Alma Mater

It gives me immense pleasure to invite you all to the SANGAM – 3.0, scheduled on ~~29<sup>th</sup>~~ **31<sup>st</sup> May 2026**. This gathering is not just an event, but a celebration of our shared journey, achievements and aspirations. For the first time in the history of alumni meets — perhaps anywhere in the country — we are introducing a set of innovative, purpose-driven programs like **Alumni Back to Classroom (ABC)** designed to transform alumni engagement from a ceremonial reunion into a catalyst for knowledge-sharing, mentorship, entrepreneurship, and collaborative growth.

This initiative opens the doors of our classrooms to our distinguished alumni, enabling them to share their professional insights, real-world experiences, and practical wisdom directly with students and faculty. In line with the National Education Policy (NEP) 2020 of Govt. of India, this will help bridge the academia-industry gap in a meaningful way. **SANGAM** is an alumni mixer where the students can meet, interact, and connect with experienced professionals in their desired fields. Students can discuss current industry trends, and skills required to break into the industry. It can act as a perfect icebreaker for both parties; in a way, students can choose their mentors.

The second phase of ABC is in progress and will bring a fresh perspective to the table, though it is operative round the year. It is scheduled on 30<sup>th</sup> May 2026 from 2:30PM probably in Lecturer Halls(L-1 to L-11). Departmental Faculty Coordinators and student volunteers will communicate with alumni to curate impactful sessions that inspire, guide, and empower the next generation. Thus, I warmly appeal to each one of you to participate wholeheartedly, connect, and make this a truly memorable occasion at NIT Srinagar for our current students. Many stalwarts and legends are joining us. Let us come together, share our ideas, and strengthen the bonds that unite us. Your presence matters.

With Warm Regards,

Prof. M. A. Shah, Dean Alumni & International Affairs, NIT Srinagar
