MONITOR

CEO 'Move Beyond startup' NIT, Srinagar, calls on LG Manoj Sinha

Monitor News Bureau

Srinagar: CEO of National Institute of Technology (NIT) Srinagar's Startup Move Beyond. A Career Counselling School met Honorable Lieutenant Governor Manoj Sinha at Raj Bhavan and apprised him about various developments and activities.

Founder and Director of Move Beyond, Sheikh Inayat Ullah apprised the LG about his innovative career guidance model that is aimed to reach out to the youth of Jammu and Kashmir and provide them a vibrant platform.

He expressed gratitude to the Lt Governor for proactive support from the Government to the start-ups in J&K and discussed the overall socio-economic position of the UT of J&K.

Sheikh Inayat Ullah also highlighted innovative initiatives that needed to be taken in the UT on the level of growth and prosperity.

Lt Governor Manoj Sinha assured the young innovator of all support from the UT administration. He also directed the Department of Mission Youth for providing support and assistance to startups for taking this model to its logical conclusion.

In his message, Director NIT Srinagar, Prof. (Dr.) Rakesh Sehgal said there is no dearth of talent among the youth of Kashmir but they need proper guidance, and mentorship to enhance and encourage their capabilities.

"There used to be very limited options in the past and today there are huge career avenues. The intervention of Move Beyond is apt and timely as there is a need to counsel the students for choosing a particular career path," he said.

The institution's Registrar Prof. Syed Kaiser Bukhari said career coun-

selling and guidance will help students in a larger way in choosing the right careers. It will help in boosting the confidence and morale of the student and the professional, he said.

"Career counseling helps them analyze their strengths and weaknesses and helps in finding the perfect career path," Prof. Bukhari said, adding that NIT's Srinagar Move Beyond will continue to guide students of the region.

Head Innovation Incubation and Entrepreneurship Development Centre (IIEDC), NIT, Srinagar Dr. Saad Parvez, Move Beyond is a social startup

by youth and for the youth.

"We are working hard to make this initiative a great success," he said.

Dr. Saad Parvez said Move Beyond will also identify structural, and technical bottlenecks and develop solutions. It will task itself to place the potential aspirants at state, national and international levels, he said.

Move Beyond is the first startup of IIEDC, NIT Srinagar. It is a social entrepreneurship venture incubated by Innovation Incubation and Entrepreneurship Development Centre (IIEDC), NIT, Srinagar.

Scholarly literature vital for quality research for any educational institution: Dir NIT Srinagar

SRINAGAR, AUG 05, 2022: Director National Institute of Technology (NIT) Srinagar, Prof. (Dr.) Rakesh Sehgal on Friday said scholarly literature is important and vital for quality research for any educational institution and there is a need to focus on these areas.

Addressing the gathering at an event titled "Publishing Scholarly Content with IEEE" organized by Library and Information Resource Centre (LIRC) NIT Srinagar in collaboration with IEEE.

Prof. Sehgal briefed about the importance of scholarly literature. He also highlighted the NIT-Srinagar's commitment to spend a good amount of budget to provide the best high-quality e-resources to students, researchers, and faculty members.

"Libraries are the gateway of knowledge and they are playing important role in our society. The resources aimed to create opportunity for learning and shape the new ideas," he said.

Prof. Sehgal also appreciated library patrons and also appreciated LIRC team for holding such events and emphasized in organizing such events in future as well.

In his special message, Institute's Registrar, Prof. Syed Kaiser Bukhari said such conferences are need of the hour. He appreciated the LIRC for organizing the conference on a relevant topic.

Prof. Bukhari said over the past several years, NIT Srinagar has shown tremendous growth in the areas of research. There is a visible change on the ground, he said.

Chairman-LIRC Prof. Aijaz Ahmed Zargar also provided his valuable insights on paper publishing in various modes viz: Open Access, Toll-Access, etc.,

sensitized the audience to use IEEE resources to publish in quality journals.

The event began with a welcome address that was presented by Deputy Librarian Mrs. Asmat Ali, Convener of the event.

Mrs. Asmat said electronic information resources are made available for research to great extent by our institute but the user education program, training is pivotal for the patrons in context of usage and easy retrieval of refined information.

"Today's program is one of the attempts," she added.

In his key address, Mr. Ranbir Singh Sedhe, IEEE Client Services Manager discussed 'how to publish Scholarly Content in IEEE- Journals and conferences, etc.

He also highlighted the key services offered by IEEE to its users, and subscribers. All the objectives of the event were tactfully covered by the speaker.

While more than a hundred participants had registered for the event, including research scholars, faculty members, M.Tech and B.Tech Students.

The event was concluded by the Assistant Librarian Mr. Showket Ahmed Wani, by presenting a vote of thanks. He thanked the esteemed speaker, Director NIT Srinagar, Chairman LIRC and other participants for gracing the mega event.

STUTI Workshop on Material Characterization Techniques concludes at NIT Srinagar

Program was to spread the knowledge and share resources: Prof. Baldev Setia

Srinagar, July 04: The weeklong training program on Material Characterization Techniques under the Synergistic Training Program Utilizing the Scientific and Technological Infrastructure (STUTI) concluded on Monday at the National Institute of Technology (NIT) Srinagar.

The workshop was organized by P G Department of Physics and Mechanical Engineering Department of NIT Srinagar in collaboration with the Department of Physics, Aligarh Muslim University, Aligarh (UP) and sponsored by the Department of Science & Technology (DST).

The valedictory program was presided over by Prof. Baldev Setia, Director, Punjab Engineering College, Chandigarh, who was also chief guest in the event and Prof. M.F. Wani, Dean R&C, NIT Srinagar was the Guest of Honor in the session. In his key speech, Prof. Baldev Setia said both faculty development programs (FDPs) and training workshops are the need of the hour. They have multiple benefits and are important for achieving the long-term goals of the New Education Policy 2020. While highlighting the importance of institution collaborations, he said such facilities are vital and we should take maximum benefits of such initiatives.

Prof. Setia urged young scholars to serve society through innovations. There is a need to add emotions

and spirituality to new inventions so that more people will get benefited, he said.

In-charge Director and Dean Research and Consultancy, NIT Srinagar, Prof. Wani said conducting workshops on relevant themes is important. NIT Srinagar will act as a platform for providing relevant knowledge to people who are involved in research activities, he said. High-end equipment should be more used for humanity rather than for destructive activities. Developing small materials can be more helpful to society compared to writing papers on the same subjects, he said. "We should replace conventional materials and develop eco-friendly materials. It will be our biggest contribution to our society," he said.

In his message, Director NIT Srinagar, Prof. (Dr.) Rakesh Segal said the workshop served participants in multiple ways so that they were able to share their knowledge

and experience. "It was a successful program which was conducted nicely. All the participants have gained a lot from this workshop, which was the purpose of the program to spread the knowledge or share the resources," he said.

Institute's Registrar, Prof. Syed Kaiser Bukhari said all sessions of the workshop were an eye-opener for all participants. "NIT Srinagar will be organizing such workshops in the future also so that students can get benefit from these initiatives, he said.

On the occasion, Prof. Saraswati Setia, who was a special guest at the event said there is a need to explore areas of innovations in solid waste management. "Plastic waste has a very huge impact on our environment and urged young participants to explore alternatives for the same," she said.

Former Dean R&C, NIT Srinagar, Prof. G. A. Harmain emphasized the importance of material sciences and their relevance in modern technology. "Materials science and engineering drive innovation in the research and industry. It is fundamental to all other science and engineering disciplines," he said. Dr. Hamida Tun-Nisa Chishty from Chemistry Department encouraged the young researchers for participating in more such workshops. Both Prof. Harmain and Dr. (Mrs) Chasti, being inducted as BOG Members recently were felicitated on the occasion.

Three day Model United Nations conference concludes at NIT Srinagar

Such events will encourage students to think out of the box: Dir

Srinagar, Aug 08: A three-day Model United Nations (MUN) conference in collaboration with the University of Kashmir concluded on Monday at National Institute of Technology (NIT) Srinagar.

MUN is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real-world issues with the policies and perspectives of their assigned country.

The KUNIT-MUN 2022 was organized by the Art and Culture Club (Office of Dean Students Welfare NIT Srinagar, while Dr. Nasir Faried Butt was the coordinator of the event.

The event was presided over by Director NIT Srinagar, Prof. Rakesh Sehgal, while Registrar NIT Srinagar, Prof. Syed Kaiser Bukhari, and Registrar, Uni-

versity of Kashmir, Dr. Nissar Ahmad Mir were special guests on the occasion.

In his key speech, Director NIT, Prof. Sehgal appreciated the coordinator Dr. Nasir Faried Butt, and his entire team for organizing the vital conference on the campus.

"Such collaborations- both academic and extracurricular between institutes of higher education should always be encouraged. They are the need of the hour," he said.

Prof. Sehgal emphasized on organizing such awareness conferences at NIT Srinagar and will definitely encourage students to think out of the box.

Institute's Registrar, Prof. Syed Kaiser Bukhari expressed his optimism and impressed upon conducting more such events that polish the minds of the students and channelized their

energy in pursuing productive endeavors.

"The main goal of such events is to bring together leading thinkers and achievers to share ideas that matter from varied disciplines and cultures. It was aimed at creating meaningful conversations and intellectual exchanges," Prof. Bukhari said.

Registrar, University of Kashmir, Dr. Nissar Ahmad Mir spoke about hands-on knowledge on international relations and global issues that is necessary for all-round of students and

participants.

He highlighted the importance of having a basic awareness of various international issues and conflicts.

"It is important for the students to be trained in critical thinking and soft skills, which will equip them with the ability to better understand the global issues and enable them to formulate solutions regarding the same," Dr. Mir said.

The coordinator of the event, Dr. Nasir Farid Butt said that the institute will be organizing

more such conferences in future where eminent personalities from various fields will combine to spark deep discussions and connections.

Presenting his formal vote of thanks, Dr. Nasir expressed his gratitude to Director NIT Srinagar, Prof. (Dr.) Rakesh Sehgal, Registrar, Prof. Syed Kaiser Bukhari, and KU's Registrar Dr. Nissar Ahmad for supporting and providing a conducive environment for such academic events.

This event was a great success and fulfilled the main aim of providing a stage to the students across the valley, he said.

The student of different universities and colleges in the Kashmir valley registered to participate and debate the various international issues as is done by the diplomats in the United Nations.

"Such collaborations—both academic and extracurricular—between institutes of higher education should always be encouraged. They are the need of the hour," he said.

Prof. Sehgal emphasized on organizing such awareness conferences at NIT Srinagar and will definitely encourage students to think out of the box. Institute's Registrar, Prof. Syed Kaiser Bukhari expressed his optimism and impressed upon conducting more such events that polish the minds of the students and channeled their energy in pursuing productive endeavors.

"The main goal of such events is to bring together leading thinkers and achievers to share ideas that matter from varied disciplines and cultures. It was aimed at creating meaningful conversations and intellectual exchanges," Prof. Bukhari said.

The student of different universities and colleges in the Kashmir valley registered to participate and debate the various international issues as is done by the diplomats in the United Nations.

Three day Model United Nations conference concludes at NIT Srinagar

Such events will encourage students to think out of the box: Dir

SO NEWS DESK

SRINAGAR: A three-day Model United Nations (MUN) conference in collaboration with the University of Kashmir concluded on Monday at National Institute of Technology (NIT) Srinagar.

MUN is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real-world issues with the policies and perspectives of their assigned country.

The KUXNIT-MUN 2022 was organized by the Art and Culture Club (Office of Dean Students Welfare NIT Srinagar, while Dr. Nasir Faried Butt was the coordinator of the event.

The event was presided over by Director NIT Srinagar, Prof. Rakesh Sehgal, while Registrar NIT Srinagar, Prof. Syed Kaiser Bukhari, and Registrar, University of Kashmir, Dr. Nissar Ahmad Mir were special guests on the occasion. In his key speech, Direc-

tor NIT, Prof. Sehgal appreciated the coordinator Dr. Nasir Faried Butt, and his entire team for organizing the vital conference on the campus.

"Such collaborations—both academic and extracurricular—between institutes of higher education should always be encouraged. They are the need of the hour," he said.

Prof. Sehgal emphasized on organizing such awareness conferences at NIT Srinagar and will definitely encourage students to think out of the box.

Institute's Registrar, Prof. Syed Kaiser Bukhari expressed his optimism and impressed upon conducting more such events that polish the minds of the students and channeled their energy in pursuing productive endeavors.

"The main goal of such events is to bring together leading thinkers and achievers to share ideas that matter from varied disciplines and cultures. It was aimed at creating meaningful conversations and intellectual exchanges," Prof. Bukhari said.

Registrar, University of Kashmir, Dr. Nissar Ahmad Mir spoke about hands-on knowledge on international relations and global issues that is necessary for all-round of students and participants. He highlighted the impor-

ance of having a basic awareness of various international issues and conflicts.

"It is important for the students to be trained in critical thinking and soft skills, which will equip them with the ability to better understand the global issues and enable them to formulate solutions regarding the same," Dr. Mir said.

The coordinator of the event, Dr. Nasir Faried Butt said that the institute will be organizing more such conferences in future where eminent personalities from various fields will combine to spark deep discussions and connections.

Presenting his formal vote of thanks, Dr. Nasir expressed his gratitude to Director NIT Srinagar, Prof. (Dr.) Rakesh Sehgal, Registrar, Prof. Syed Kaiser Bukhari, and KU's Registrar Dr. Nissar Ahmad Mir for supporting and providing a conducive environment for such academic events.

This event was a great success and fulfilled the main aim of providing a stage to the students across the valley, he said.

The student of different universities and colleges in the Kashmir valley registered to participate and debate the various international issues as is done by the diplomats in the United Nations.

NIT Srinagar organizes Tiranga rally, essay competition under Har Ghar Tiranga campaign

NIT Srinagar organizes Tiranga rally, essay competition under Har Ghar Tiranga campaign

• SO NEWS DESK

SRINAGAR, AUG 13 - Under the aegis of Azadi Ka Amrit Mahotsav and in a run-up to the nation's 75th Independence Day, the Department of Physical Education, National Institute of Technology (NIT) Srinagar on Saturday organized 'Tiranga Rally' which was participated by hundreds of faculty members and students.

The rally was flagged off by Director NIT Srinagar, Prof.(Dr.) Rakesh Sehgal, in presence of Registrar Prof. Syed Kaiser Bukhari, Dean R&C Prof. MF Wani along with all Deans, HoD's, and faculty members.

The rally covered a distance around the campus. More than 1000 participants, including teachers and non-teaching staff and students of NIT Srinagar, took part in the rally.

On the occasion, Director NIT Srinagar, Prof. Sehgal said the Har Ghar Tiranga campaign of the Government of India to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence.

"We should continue to participate in such campaigns in the next coming years," he said. The director said

that the NIT administration has already distributed the national flags to students, and faculty members as part of Har Ghar Tiranga campaign.

Prof. Sehgal said the rally has undoubtedly strengthened the spirit of patriotism and nationalism among the students. He said the idea behind the initiative is to invoke a feeling of patriotism among students and to promote awareness about the Indian National Flag.

On the occasion, Registrar NIT Srinagar, Prof. Bukhari

said the rally was organized to promote the Har Ghar Tiranga campaign and to raise awareness regarding the struggle of national heroes and freedom fighters of India.

He said NIT is organizing multifarious activities to amplify the awareness of Har Ghar Tiranga campaign under Azadi Ka Amrit Mahotsav. Besides that, an awareness campaign was conducted in campus to make Har Ghar Tiranga program a grand success.

Dean Research & Consultancy, Prof. (Dr.) M.F Wani,

Dean Academic Affairs Najeeb-ud-din, Dean Alumni and International Affairs Prof. (Dr.) Mohammad Shafi Mir, Dean Planning & Development Prof. B. A. Mir, Dean Students Welfare, Prof. Abdul Liman and Dean Faculty Welfare Prof. Shamim Ahmad Lone also spoke about on the occasion.

Dr. Srinibash Mishra said apart from Tiranga rally, the Department of Physical Education, also conducted an essay writing competition to mark the 75 years of Independence under the aegis of Azadi Ka Amrit Mahotsav.

"The overall theme of the competition was 'India in 2050 A.D' and how students contribute to make it happen," he said. Prof (Dr.) Sehgal along with Prof Bukhari were the chief guests for the event. Students actively participated in the competition and made it successful.

Har Ghar Tiranga is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it on India's independence.

Later, the participating students were felicitated by Director NIT Srinagar, Prof (Dr.) Rakesh Sehgal, in presence of Registrar Prof. Syed Kaiser Bukhari, for taking part in Tiranga rally and essay competition.

NIT Srinagar hosts SPIC MACAY state meeting

Awareness of culture and heritage to be imparted across Kashmir: Dir

SRINAGAR, AUG 14, 2022: Srinagar, Aug 14: SPIC MACAY (Society for the Promotion of Indian Classical Music and Culture Amongst Youth) on Saturday held a meeting at National Institute of Technology (NIT) Srinagar in which many important aspects were discussed.

The meeting was held under the chairmanship of Dr. Kiran Seth, founder of SPIC MACAY and Director NIT Srinagar Prof. (Dr.) Rakesh Sehgal.

Prof. Muzaffar Bhat, Principal Degree College Anantnag (Chief Advisor Kashmir Chapter of SPIC MACAY), Ms. Rashmi Malik, Chairperson SPIC MACAY Foundation, Sh. Rajiv Giri, National Coordinator of SPIC MACAY, among dozens of other members were also present in the meeting.

Dr. Nasir Faried, Assistant Professor of English, NIT Srinagar coordinated the SPIC MACAY meeting as Coordinator, SPIC MACAY, Srinagar Chapter.

The agenda of the meeting was to discuss strategies to revive the "Society for the Promotion of Indian Classical Music and Culture Amongst

Dr. Kiran Seth, founder of SPIC MACAY and Director NIT Srinagar, Prof. (Dr.) Rakesh Sehgal, Prof. Muzaffar Bhat, Principal Degree College Anantnag, and other members of SPIC MACAY during the meeting.

YOUTH" (SPIC MACAY) in Kashmir. In his address, Dr. Kiran Seth explained the workings of the SPIC MACAY and discussed the various problems pertaining to the lack of cultural and heritage knowledge among the youth of India.

He also explained how this initiative of SPIC MACAY can help in spreading the beautiful culture and heritage across every nook and cranny of the country.

In the meeting, the discussed objectives told by Mr. Kiran Seth were, to reach out to all primary, secondary, and higher educational

institutions in Kashmir.

"Make the youth aware of the culture and heritage of India by holding school, state and national level (week-long in-residence) festivals," he said.

The modules include concerts, classical instrumental and vocal in both Hindustani and Carnatic traditions, classical and folk dance, folk art, yoga and meditation, workshops, cinema, classes, and talks of eminent speakers of civil society.

In his key speech, Prof. Rakesh Sehgal concluded the meeting with special thanks to the organization

and also assured the delegation of every possible support to be provided by the NIT Srinagar in the pursuit.

He said such programs would go along way in developing our students, and research scholars. It would act as great significance to our programs, he said.

"We at NIT Srinagar across all departments have a growing R&D sector. With the help of such programs, we will be featured among top research institutes in the country," Prof. Sehgal said.

In his special message, Institute's Registrar Prof. Syed Kaiser Bukhari

said NIT Srinagar will continue to support such activities on the campus that will benefit students in a longer way.

"NIT Srinagar is now gaining momentum and we are becoming visible to the outside world because of its research work, activities, and rankings," he said.

Prof. Bukhari said during the last four years, under the dynamic leadership of Prof. Rakesh Sehgal, NIT Srinagar is taking lead at all fronts by organizing student-oriented programs, workshops throughout the year.

During the meeting, it was also decided that programs shall be conducted in different schools, colleges, and universities throughout Kashmir Valley.

NIT Srinagar will act as the node for the Srinagar chapter of the movement with Dr. Nasir F. Butt as coordinator. Moreover, the SPIC MACAY Heritage Club of NIT Srinagar will also be pushed into acceleration.

Moreover, the SPIC MACAY Cycle Yatra of Dr. Kiran Seth was discussed. His Cycle Yatra will be flagged off from NIT on the occasion of Independence Day at NIT Srinagar at 2:30 PM.

SPIC MACAY is a non-political, nationwide, voluntary movement founded in 1977 by Dr. Kiran Seth, Professor-Emeritus at IIT-Delhi who was awarded the 'Padma Shri' for his contribution to the arts in 2009.

The main intention of SPIC MACAY is to enrich the quality of formal education by increasing awareness about different aspects of Indian heritage and inspiring the young mind to imbibe the values embedded in it.

SRINAGAR | AUG. 15: The 75th Independence day was celebrated on Monday with great enthusiasm and patriotic fervor at National Institute of Technology (NIT) Srinagar, where its Director Prof. Rakesh Sehgal unfurled tricolor at the campus.

Prof. Sehgal hoisted the national presence in presence of Institute's Registrar Prof. Syed Kaiser Bukhari, Deans, HODs, faculty and students. It was a grand parade by the security wing of the institute.

In his key address, the Director congratulated the people on the 75th Independence Day and recalled the supreme sacrifices of national heroes who laid down for the country.

"We have achieved freedom after the sacrifice of our national leaders and we pay rich tributes to them on an auspicious day," he said.

Prof. Sehgal said India's independence was not easy and it took decades to restore the grass root democracy and they faced many challenges.

"We should take a pledge on this day to strive to protect our country and have to dedicate our services and life for the progress of the nation," he said.

In his message, Institute's Registrar, Prof. Syed Kaiser Bukhari said the uniqueness of India's great story is that this nation is achieving respect from the world taking a democratic path.

While paying tributes to national heroes,

he said the sacrifices and contributions will continue to guide and inspire them to achieve the new feat.

Prof. Bukhari said the founding fathers of this nation including Mahatma Gandhi Ji, along with the numerous freedom fighters who sacrificed their lives for the country, wanted this nation to be independent, happy, and peaceful.

"Over the past seven decades, India has emerged as a powerful country in the world and will continue to strive hard," he said.

The function was organized by the Department of Physical Education, NIT Srinagar. Following the bad weather, it was held at two venues on the campus. It consisted of a flag hoisting ceremony and parade.

In the event nearly 1000 students, faculty, senior administrative staff, non-teaching staff participated. Patriotic songs were presented to mark the historic day.

Later Prof. Sehgal thanked everyone for attending and participating in the ceremony. He extended his special gratitude to the security personnel for their participation and efforts.

The arrangements were finalized by Dr. Srinibash Mishra (SAS Coordinator), Kousar Ali Mir (SAS Officer), Sohail Ahmad Baba (SAS Assistant).

In the afternoon, SPIC MACAY organized

a Cycle Yatra from Kashmir to Kanyakumari that was flagged off from the NIT on the occasion of the 75th Independence Day.

This event was conducted by the Art and Culture Club (Office of Dean Student Welfare) of NIT Srinagar.

The flagging off was done in the presence of the Director of NIT Srinagar, Prof. Rakesh Sehgal, and Institute's Registrar, Prof. Kaiser Bukhari.

The senior members of SPIC MACAY, Rashmi Malik, and Rajiv Giri were also present, along with many students of NIT Srinagar, who were eager to participate and volunteer.

The coordinator greeted the guests and spoke about the aspiring undertaking of Dr. Kiran Seth, Director, Registrar, and coordinator of NIT Srinagar, along with Dr. Kiran Seth and Mr. Rajiv Giri, went on a small cycling expedition in the college, where they explored the campus on bicycles.

Dr. Kiran Seth spoke to the students of NIT Srinagar, about tapping the inner strength and unexplored potential. The youth of this country are the leaders of tomorrow, he said.

"The best way one can help maintain the integrity of a country is by encouraging the local culture and art that are now being forgotten," Dr. Kiran said.

Mrs. Rashmi Malik and Mr. Rajiv Giri, also encouraged the students about the same and motivated them to expand their knowledge and skills, to reach greater heights.

Dr. Kiran Seth then set forth from NIT Srinagar, on his Cycle Yatra, with great confidence and contagious energy, with a loud cheer from the students.

The event concluded with the start of the exhilarating journey from Kashmir to Kanyakumari, of a man on a bicycle with a big heart and a noble cause.

NIT Inks MoU With CIIT Baramulla

Observer News Service

Srinagar: The National Institute of Technology (NIT) Srinagar on Thursday signed a Memorandum of Understanding (MoU) with Centre for Invention, Innovation, Incubation, and Training (CIIT) Government Polytechnic College Baramulla under the Directorate of Skill Development, Govt. of J&K.

The MoU was signed between Director, NIT Srinagar Prof. (Dr.) Rakesh Sehgal and Principal Government Polytechnic College Baramulla Er. Altaf Gowhar.

Prof. M.F. Wani, Dean R & C, Dr. Shahid Saleem, Head T & P, Dr. Saad Parvez, Head IIEDC, and Dr. Dinesh Kumar, A.P.MED, and other faculty members from Government Polytechnic College Baramulla were pres-

ent on the occasion.

In his key address, Director, NIT Srinagar Prof. (Dr.) Rakesh Sehgal said this MoU will further strengthen ties between two institutions. It is indeed of matter of great pleasure as technological institutions are coming together to sign the historic MoU, he said.

"We will take this MoU forward for the benefit of students, faculty members, and other staff members of both respective intuitions.

It will help us to serve humanity through technological dimensions", he said.

Prof. Sehgal said it is a very positive step that the MoU will encourage academic partnership and fruitful research collaboration between two prestigious technological intuitions of Jammu and Kashmir. We are aiming forward for the joint research projects and student exchange programs, he added.

Dean Research and

Consultancy (R&C) NIT Srinagar, Prof. M F Wani said NIT Srinagar will collaborate with CIIT Baramulla in identifying the current skill gaps existing in the Technical man-force in the area of Manufacturing Technology and Automobile Engineering.

"NIT Srinagar will suggest the training curriculum to be adopted for bridging this gap. Both the parties shall endeavor to promote and support promotional activities to be undertaken by them in the area of skill development," he said.

In his message, Institute's Registrar, Prof. Syed Kaiser Bukhari said this collaborative move will bring synergy in finding novel and innovative solutions to the problems faced by the industry in the region.

NIT SRINAGAR INKS MOU WITH CIIT BARAMULLA

MOU WILL ENCOURAGE ACADEMIC PARTNERSHIP, AND RESEARCH COLLABORATION BETWEEN TWO INSTITUTIONS: DIR

Srinagar: The National Institute of Technology (NIT) Srinagar on Thursday signed a Memorandum of Understanding (MoU) with Centre for Invention, Innovation, Incubation, and Training (CIIT) Government Polytechnic College Baramulla under the Directorate of Skill Development, Govt. of J&K.

The MoU was signed between Director, NIT Srinagar Prof. (Dr.) Rakesh Sehgal and Principal Government Polytechnic College Baramulla Er. Altaf Gowhar.

Prof. M.F. Wani, Dean R & C, Dr. Shahid Saleem, Head T & P, Dr. Saad Parvez, Head IIEDC, and Dr. Dinesh Kumar, A.P.MED, and other faculty members from Government Polytechnic College Baramulla were present on the occasion.

In his key address, Director, NIT Srinagar Prof. (Dr.) Rakesh Sehgal said this MoU will further strengthen ties between two institutions. It is indeed of matter of great pleasure as technological institutions are coming together to sign the historic MoU, he said.

"We will take this MoU forward for the benefit of students, faculty members, and other staff members of both respective intuitions. It will help us to serve humanity through technological dimensions", he said.

Prof. Sehgal said it is a very

positive step that the MoU will encourage academic partnership and fruitful research collaboration between two prestigious technological intuitions of Jammu and Kashmir. We are aiming forward for the joint research projects and student exchange programs, he added.

Dean Research and Consultancy (R&C) NIT Srinagar, Prof. M.F. Wani said NIT Srinagar will collaborate with CIIT Baramulla in identifying the current skill gaps existing in the Technical man-force in the area of Manufacturing Technology and Automobile Engineering.

"NIT Srinagar will suggest the training curriculum to be adopted for bridging this gap. Both the parties shall endeavor to promote and support promotional activities to be undertaken by them in the area of skill development," he said.

In his message, Institute's Registrar, Prof. Syed Kaiser Bukhari said this collaborative move will bring synergy in finding novel and innovative solutions to the problems faced by the industry in the region.

"I am confident that MoU between CIIT Baramulla and NIT Srinagar will lead to major research works that will benefit the general public and residents of Jammu and Kashmir in particular," he

said.

Prof. Bukhari said there is no dearth of talent among the youth of Kashmir but there is a need for proper guidance, counseling to enhance and encourage their capabilities.

Dr. Shahid Saleem, Head Training and Placement Cell, NIT Srinagar said it is indeed of matter of great pleasure as two technological institutions are inking a historic MoU. "It will definitely benefit the students of both colleges," he said.

"Both students will get internship opportunities across the country. This MoU will provide students valuable mentor relationships often start with a personal connection that enhances their experience as well," he said.

Dr. Saad Parvez, Head IIED

Centre said IIED Centre can collaborate with CIIT to help innovation to reach their logical conclusions by utilizing the state-of-the-art technology established by TATA technologies at CIIT Baramulla.

"Our students and innovators can utilize these facilities for product development and testing before launching them in the market," he said.

Dr. Saad said also emphasized on establishing cross-linkages among various institutions of the valley to develop innovative ideas Principal, Government Polytechnic College, Baramulla Er. Altaf Gowhar said this MoU will promote the idea of innovation, incubation amongst students, and technical manpower so as to develop new products,

technologies, and new start-ups. He said the role of IIT, Govt. Polytechnic Baramulla is to provide necessary infrastructures like machines, tools, materials etc., and human resources required for conducting such skill-based training.

"To assess and provide a certificate jointly with Tata Technologies to the trainees who successfully complete the training and meet the specified criteria set by Tata Technologies," Er. Gowhar said.

As per the MoU, both institutions are desirous of collaborating with each other for the benefit of engineering students and the technical Manforce of NIT Srinagar to enhance their skills and knowledge for better employability.

It says to bring around qualitative improvements through up-skilling in the areas of Manufacturing Technology and Automobile Engineering. It will increase the employability of the engineering students and support MSMEs and local industries through this CIIT reads MoU copy. To promote the idea of innovation, incubation amongst students, and technical manpower so as to develop new products and technologies, it said.

NIT Sgr inks MoU with CIIT B'la

MoU will encourage academic partnership, research collaboration between two institutions: Dir

SRINAGAR [AUG. 18: The National Institute of Technology (NIT) Srinagar on Thursday signed a Memorandum of Understanding (MoU) with Centre for Invention, Innovation, Incubation, and Training (CIIT) Government Polytechnic College Baramulla under the Directorate of Skill Development, Govt. of J&K. The MoU was signed between Director, NIT Srinagar Prof. (Dr.) Rakesh Sehgal and Principal Government Polytechnic College Baramulla Er. Altaf Gowhar.

On this occasion, Prof. M.F. Wani, Dean R & C, Dr. Shahid Saleem, Head T & P, Dr. Saad Parvez, Head IEDC, and Dr. Dinesh Kumar, A.P.MED, and other faculty members from Government Polytechnic College Baramulla were present on the occasion. In his key address, Director, NIT Srinagar Prof. (Dr.) Rakesh Sehgal said this MoU will further strengthen ties between two institutions. It is indeed a matter of great pleasure as technological institutions are coming together to sign the historic MoU. He said, "We will take this MoU forward for the benefit of students, faculty

members, and other staff members of both respective institutions. It will help us to serve humanity through technological dimensions", he said. Prof. Sehgal said it is a very positive step that the MoU will encourage academic partnership and fruitful research collaboration between two prestigious technological institutions of Jammu and Kashmir. We are aiming forward for the joint research projects and student exchange programs, he added. On this occasion, Dean Research and Consultancy (R&C) NIT Srinagar, Prof. M.F. Wani said NIT Srinagar will collaborate with CIIT Baramulla in identifying the current skill gaps existing in the Technical man-force in the area of Manufacturing Technology and Automobile Engineering. "NIT Srinagar will suggest the training curriculum to be adopted for bridging this gap. Both the parties shall endeavor to promote and support promotional activities to be undertaken by them in the area of skill development", he said.

In his message, Institute's Registrar, Prof. Syed Kaiser Bukhari said this collaborative move will bring synergy in finding novel and innovative solutions to the problems

faced by the industry in the region. "I am confident that MoU between CIIT Baramulla and NIT Srinagar will lead to major research works that will benefit the general public and residents of Jammu and Kashmir in particular", he said.

Meanwhile, Prof. Bukhari said there is no dearth of talent among the youth of Kashmir but there is a need for proper guidance, counseling to enhance and encourage their capabilities. Later on Dr. Shahid Saleem, Head Training and Placement Cell, NIT Srinagar said it is indeed a matter of great pleasure as two technological institutions are inking a historic MoU. "It will definitely benefit the students of both colleges", he said. "Both students will get internship opportunities across the country. This MoU will provide students valuable mentor relationships often start with a personal connection that enhances their experience as well", he said. Dr. Saad Parvez, Head IED Centre said IED Centre can collaborate with CIIT to help innovations to reach their logical conclusions by utilizing the state-of-the-art technology established by TATA technologies at CIIT Baramulla. "Our students and innovators can utilize these facilities for product development and testing before launching them in the market", he said.
