**Dear Students,**

I understand that the recent developments in the India-Pakistan conflict may have caused concern among students and their families. In times like these, your well-being remains our top priority, and I want to assure you that the Institute is closely following the developments with the Jammu and Kashmir UT Government and taking every necessary step to ensure your safety.

Our campus remains secure, and Security personnel have been briefed to maintain heightened vigilance, and contingency protocols are in place should any need arise.

The classes and campus activities will continue as scheduled unless otherwise notified. I encourage you to stay calm, avoid spreading or acting on unverified information, and reach out to your department heads or the Dean Student Welfare office if you have any concerns.

Your safety, both physical and emotional, is of paramount importance to us. We remain committed to providing you with a secure and supportive environment to pursue your academic and personal growth.

Should you need assistance or wish to speak with a counsellor, our student support services are readily available.

Stay safe, stay informed, and let us continue to stand together as a family.

Warm regards,

Sd /-
