- 10.13 In case of superannuation of Supervisor, procedure as per clause 11.12 will be adopted.
- 10.14 The Departmental faculty member will be nominated by the concerned Head of the Department. The nominee should be of Professor / Associate Professor Level. If a Department doesn't have Professor / Associate Professor, then HOD may nominate / include a senior faculty from the Sister Department.
- 10.15 The Director's nominee is nominated by the Director and is a senior faculty from Sister /Other Department. The nominee may or may not be able to give research advice to the scholar. However the Director's nominee has to be impartial and his / her role is to conform that there is no negligence either on the part of research scholar or other members of the DC.
- 10.16 FUNCTIONS of DC:**
- 10.16.1 To review the research progress of the candidate and send the progress report to the DAA.
- 10.16.2 To assess and approve the research proposal of the candidate. The research proposal will also be signed by convenor and Chairman DPGC.
- 10.16.3 To assess and approve the adequacy of the work in the Pre-synopsis presentation and communicate the same to DAA.
- 10.16.4 Inclusion of Co-Supervisor.
- 10.16.5 To recommend any other issue during the PhD tenure.

10.16.6 All recommendations in respect of research scholar during the PhD programme should be routed through DC.

10.16.7 However regarding the content of the research, the onus lies on the Supervisor.

11. Research Supervisor

11.1 A PhD Research Scholar works under the guidance of a Supervisor. The supervisor is required to provide academic guidance and practical support from the genesis of concept to the submission of the thesis. The supervisor has to be a faculty in Institute and from the Department in which research scholar is registered.

11.2 In addition to supervisor a scholar can have maximum of 2 (two) co-supervisors. Co-Supervisor /s can be from other Department /s of the Institute or from outside the Institute.

11.3 Depending on the research requirements, internal co-supervisor (s) can also be recommended in favour of research scholar at a later stage, but not later than the submission of research proposal. The co-supervisors within the Institute can be recommended by respective DCs through DPGC to DAA for approval in the SPGC / Senate.

11.4 Co-supervisors outside Institute need to get registered with the Institute after recommendation from the Department after fulfilling the requirements. The candidature of external Co-supervisors (for a research scholar) can be submitted through DC and DPGC to DAA for approval in SPGC/Senate. External co-supervisors can be recommended in favour of scholar within a time span of 2 years, from the date of enrolment. A proper justification has to be given for the inclusion of an external Co-supervisor. Under no circumstances external Co-supervisor will be recommended or approved beyond 2 years from the date of enrolment.

11.5 Co-supervisor (s) outside the Institute need to be permanent faculty / research scientist / or equivalent in an Institute / R&D / other recognized organization with requisite PhD degree and appropriate expertise and experience in the field of specialization.

11.6 Participation of co-supervisor outside Institute in progress report evaluation can be sought once in a year in person or through on line mode.

11.7 Change of research supervisor (s), under exceptional circumstances shall be permitted on recommendation of DC and DPGC after consulting (a) the research scholar (b) the allotted supervisor (s), and (c) the proposed supervisor (s). Recommendations are to be put before SPGC for discussion and approval. If approved by SPGC can be ratified by the Senate. A proper justification by the concerned has to be submitted for the change of Supervisor.

11.8 At any given time, the maximum number of research scholars registered with a faculty member at Associate Professor or at Professor Level having expressive teaching and

significant research experience shall not exceed eight. This number excludes the PhD scholars, who have submitted the synopsis of the PhD thesis.

- 11.9 Newly recruited faculty members at Assistant Professor Level or tenure based faculty will be allowed to take only one candidate for the first time. They can supervise a maximum of 4 Research candidates inclusive of all the categories (Regular, Sponsored, Internal, External, INSPIRE, Sponsored (PT), Sponsored (FT), JRF / SRF, etc) in subsequent years up to Assistant Professor Level. Newly recruited faculty members at Associate Professor or at Professor level will be allowed to take only one candidate for the first time, and can supervise a maximum of 4 Research candidates inclusive of all the categories (Regular, Sponsored, Internal, External, INSPIRE, Sponsored (PT), Sponsored (FT), JRF / SRF, etc) in subsequent (at least 4) years.
- 11.10 A joint supervision of a research scholar will constitute only 0.5 toward the computation of total number of slot positions for a faculty.
- 11.11 A supervisor should have a minimum service of 3 years up to the date of superannuation or up to the end of tenure; so as to supervise a research scholar. Department and DAA will ensure that no candidate is allotted to a faculty (Permanent or Tenure) for supervision having less than 3 years of service. However a faculty having less than 3 years of service can be a co-supervisor, which he / she can be, even after superannuation or end of tenure.
- 11.12 In case research scholar under the supervision of now superannuated or tenure cessation supervisor has not been able to complete the research in 3 years; in that case following procedure will be adopted for the smooth conduct of research of the scholar:
- 11.12.1 After superannuation or tenure cessation, the Supervisor will be designated as Co-supervisor.
- 11.12.2 The Department should designate a new Supervisor in consultation with the existing (superannuating) supervisor, and proposed Supervisor.
- 11.12.3 As this corresponds to change of Supervisor, Proper approval needs to be obtained from competent authority. The Change of Supervisor should be recommended by DC, DPGC, and SPGC before ratification by the Senate.
- 11.12.4 However if the Research scholar has a Co-Supervisor within the Institute, the same will be designated as Supervisor, and no fresh approvals will be needed in such cases, except information to DAA for record.
- 11.12.5 The PhD scholars who have completed more than 85% ~ 90% of research with their supervisor and for which supervisor happens to superannuate, then the Supervisor continues to remain as the primary supervisor. A Care-Taker Supervisor from the Department is to be made mandatory by the DC of the candidate when the original supervisor superannuates. The

quantum of Research work validation under the primary supervision in case of superannuation must come from, and be recommended by DC & DPGC. The Care-Taker will sign all the official documents (as Supervisor) of the research scholar till the award of PhD degree. The candidate will be required to submit the thesis within a period of 6 months from the date of superannuation of his / her main Supervisor otherwise 11.12.1 will apply. The name of care-taker supervisor duly signed by DC and DPGC should be forwarded to DAA for information and record; and no further approval will be needed for the same. The care-taker supervision will not add to the total number of slots which are available to a faculty for supervision.

12. PhD Course work and Evaluation

12.1 A candidate is required to enrol for the appropriate PG course (s) or PhD Courses.

12.2 The minimum course credit requirement will be as follows:

12.3 Faculty of Engineering:

12.3.1 M Tech Qualified: 10 credits

12.3.2 B Tech Qualified: 24 credits

12.3.3 M.Sc. or any other equivalent degree: 20 Credits

12.4 Faculty of Science:

12.4.1 M.Sc. or any other equivalent degree: 10 Credits

12.5 Faculty of Social Science, Humanities, and Management:

12.5.1 MA / MBA or any other equivalent degree 10 Credits

12.6 PG Courses are recommended by DPGC and approved by SPGC. In case there is no PG programme, separate course (s) and its syllabus for PhD should be approved by concerned DPGC. However course (s) need to be approved by DPGC before the start of course. The approval by DPGC should be communicated to Examination section, with information to Academic section well before the start of semester in which scholar registers for this course. After the semester registration no such approvals will be entertained by the examination section.

12.7 If a required course is not available in the existing (PG) curricula, instructions in the proposed subject will be imparted in Self-Study mode under the guidance of Supervisor or Co-Supervisor (if any), following all the steps like assignments, examination etc. as prescribed for a regular course. The subject to be undertaken in self study mode needs to be approved by DPGC of the Department well before the course registration as mentioned in 12.6.

-
- 12.8 Candidate is required to complete the credit requirements as the case may be, among which a course in Research Methodology (3 credits) is a compulsory course for all the research scholars of the Institute.
- 12.9 Candidates must complete all the assigned course work, in the seven-grade system (A⁺, A, B⁺, B, C⁺, C, FAIL), with a grade not lower than C in each of the courses.
- 12.10 For the continuation of fellowship under all the categories, CGPA of 7.0 is essential.
- 12.11 If the student gets a grade less than C in a subject /s, he may be permitted to do the same course / s in self study mode in the immediate subsequent semester.
- 12.12 In case student has a grade of C in a subject/s and CGPA falls less than 7, Scholar will be allowed to do the course /s in self study mode in the immediate subsequent semester
- 12.13 The maximum duration for course work completion is:
- 12.13.1 2 (Two) academic semesters for 10 credits.
- 12.13.2 3 (Three) academic semesters for 20 / 24 credits.
- 12.14 A research scholar may drop course(s) for which he/she may have registered if the academic credits for a given semester is found to be too tedious, but before the midterm examination of that course (s) is / are held. After the completion of midterm examination, such requests will not be accepted. However the complete course work has to be finished within the maximum prescribed time limit as prescribed in 12.13
- 12.15 If any research scholar from another Institute transfers his /her research programme to NIT Srinagar (e.g. in case if JRF /SRF of UGC / CSIR, the scholar can do so once in fellowship tenure) and has completed the relevant courses at that Institute; the scholar can be exempted from the course work at this Institute, subject to recommendations from DPGC.
- 12.16 In 12.15, the research scholar may be asked to take research methodology course at NIT Srinagar, if it has not been credited at the transferee Institute.
- 12.17 Internal Institute part-time research scholars will not be given any official leave to complete the course requirement.

13.Oral Comprehensive Examination

- 13.1 Oral comprehensive examination shall be conducted by respective DCs of the candidate.
- 13.2 Comprehensive Examination should be evaluated under satisfactory and unsatisfactory grade
- 13.3 In case unsatisfactory comprehensive Evaluation remarks, comprehensive examination will be held again after a gap of 3 months, but not later than 6 months.

13.4 Oral comprehensive examination of the PhD scholar shall be completed within 6 months after the completion of course work.

13.5 Oral comprehensive examination should be held immediately after the end of course work.

14. Research proposal submission and assessment

14.1 Every PhD student is required to submit his/her research proposal after the completion of the course work. The research proposal must contain details including problem identification, state of the art technology, plan of research work etc. The DC will assess the proposal through a seminar/presentation and communicate the recommendation for approval to the DAA. The research proposal should be vetted by DPGC, will be put to SPGC / Senate for approval. Submission of research proposal by research scholar shall be under rules and within stipulated maximum time as shown in table as follows:

14.2 The maximum Time Limit for the submission of research proposal is as follows:

14.2.1 Regular	18 months from the date of enrolment
14.2.2 Direct (Regular)	24 months from the date of enrolment
14.2.3 Sponsored (FT)	18 months from the date of enrolment
14.2.4 Sponsored (PT)	24 months from the date of enrolment

14.3 It is advisable to submit the research proposal under the broad area of the research; however research scholars can also submit the work under the final research title of the work.

14.4 Research proposal can also be combined with the periodic regular progress, if proposal is submitted during the same schedule.

14.5 After the submission of the research proposal, if there is a broad or enough variation from the submitted research proposal; the DC needs to take cognizance and forward the same to SPGC through DPGC for the endorsement. The research scholar and Supervisor should properly justify any change.

15. Institute Fellowship

15.1 Only full time scholars admitted under Institute fellowship are eligible for scholarship as per the Government of India rules and regulations.

15.2 The fellowship amount will be disbursed as per guidelines from MHRD, now Ministry of Higher Education.

15.3 Tenure of fellowship will be as per Institute guidelines (5 years at present) or up to 6 months from the date of presentation of pre-PhD submission presentation of Thesis in the Department; whichever is earlier.

15.4 The amount of the Institute Research Scholarship for scholars possessing the required qualification at the time of admission to the research program shall be as per the guidelines of

MHRD Ministry of Higher Education, Govt. of India. For scholarship See MHRD guide lines (ANNEXURE V)

- 15.5 In the first instance, the assistantship will be awarded up to the completion of course work. For this purpose CGPA of 7.00 at the end completion of course work will be considered as satisfactory performance. If a scholar falls in the clause of 12.11 and 12.12; and his CGPA is less than 7. His scholarship will not be released, until CGPA of 7 is obtained. The scholarship will be released retrospectively after obtaining the CGPA of 7.
- 15.6 Continuation of the assistantship during the subsequent semesters is akin to satisfactory research and academic performance of the Research Scholar in the discharge of research and academic responsibilities assigned under the assistantship scheme.
- 15.7 For a registered scholar, on completion of two continuous years of research work, there will be an evaluation by the DC and an external subject expert from outside the Institute, for considering and recommending an enhancement in scholarship. The expert shall be appointed by the Director from the panel of 3 (three) Subject experts submitted by supervisor and HOD through DAA. The committee of external subject expert and DC will assess the scholars' work. If satisfied, the committee will recommend the enhancement of the scholarship (JRF to SRF) from the date of eligibility. Recommendation should be endorsed by the DPGC.
- 15.8 A research scholar will be assigned academic responsibilities for 6~8 (Six–Eight) hours per week (like tutorial classes, laboratory demonstration work, conduct of seminar/symposia, running and maintenance of equipment, Web Incharge, or any other Institute work, etc.) as may be decided by the Supervisor / DPGC / Head of the Department. Any dereliction can lead to discontinuation of Institute fellowship.

16. Periodic assessment of research progress

The Assessment of the research scholar by the DC will start as follows

- 16.1 Research Scholars Having successfully completed 10 credits, the first progress assessment will be held after 1 (one) year from the Date of enrolment / registration, and afterwards also once a year as per the academic calendar.
- 16.2 Research Scholars Having successfully completed 20 / 24 credits, the first progress assessment will be held after 1 ½ year from the Date of enrolment / registration, afterwards once a year as per academic calendar.
- 16.3 Participation of Co-supervisor outside Institute in progress report evaluation of a candidate can be sought in person or through on line mode.

16.4 Unsatisfactory Performance:

- 16.4.1 The research scholar presenting his/her yearly progress has unsatisfactory performance; will be given another chance for the improvement in the next presentation which will be scheduled after 3 months. If the said scholar shows the satisfactory performance then only PhD student will be allowed to register for next semester.
- 16.4.2 If the PhD student fails to improve in 16.4.1 (Two consecutive unsatisfactory performances), The DAA will request the Director to nominate a committee headed by a Senior Professor from a Department other than the Department to which research scholar belongs to. The committee will also have an internal subject expert. The committee may also include the Doctoral Committee members except the Supervisor /Co-Supervisor. The Committee will look into the unsatisfactory performance of the research scholar. The committee can also ask for a report from the Supervisor (s) about the unsatisfactory performance of the scholar. The PhD student will also be asked to present himself / herself before the said committee for his / her unsatisfactory performance. The research scholar is under the guidance of a pedagogue, and it is the joint responsibility of the Supervisor and the Scholar to nourish and promote the research. The committee will recommend either for continuation or discontinuation (cancellation) of the registration, based on circumstances and on case to case basis. In case of continuation of the registration, committee will specifically recommend the remedial measures to be taken in order to avoid the further unsatisfactory performance by the scholar. Change of supervisor can also be recommended by this committee under exceptional circumstances.
- 16.4.3 If the committee decided to recommend the continuation of the registration of the research scholar; and consequently if the scholar repeats the unsatisfactory performance for another 2 (two) progresses (as per 16.4.1), the PhD registration of the scholar shall stand cancelled without any approval from the competent authority.

17.Cancellation of Registration:

Cancellation of Registration in respect of any enrolled candidate is allowed under the following condition

- 17.1 Break in registration for two consecutive semesters without approval or leave or any other communication. No further communication to be entertained in this case by the DAA office and the file will be send to the Director for the approval of cancellation of PhD registration.
- 17.2 CGPA less than 7 after the completion of entire course work can follow to cancellation of admission / registration of the candidate. However cognizance of clause 12.11 and 12.12 has to be taken in to consideration. The supervisor will have to give specific report regarding the unsatisfactory performance of the PhD scholar in obtaining a CGPA of less than 7.

-
- 17.3 Two consecutive unsatisfactory progress reports (Within 1 year) recommended by DC are received by DAA office. The case will be dealt as per the decision taken under clause 16.4.
- 17.4 A research scholar shall maintain, besides satisfactory academic progress, good conduct, behaviour and discipline in the Institute. In the event of a scholar being found to be involved in any act of misconduct, misbehaviour, indiscipline or use of unfair means at any examination, recommendations of Institute disciplinary committee for cancellation of admission approved by the Director will be implemented.

18. Leave

- 18.1 As per Ministry of Education, GOI guide lines leave as per (ANNEXURE V) is permissible. No other leave is permissible to the research students.
- 18.2 However, a research scholar under Institute scholarship can take a break for a maximum period of 6 months during the entire PhD programme, citing genuine reasons, and also obtaining a proper prior approval from Institute Authorities.
- 18.3 During this absentia period the research scholar will not be given any monthly scholarship. However his total scholarship period (at present 5 years) will not get affected, and will be given scholarship for the period of absentia beyond 5 years. In case of proper approval for the break, research scholar will be exempted to pay the registration fee for one semester falling in these 6 months.
- 18.4 A research scholar can apply for the break, only after the completion of entire course work. Break beyond 6 months can be approved only in case of severe health issue or any other unforeseen circumstances or natural calamities.
- 18.5 For sponsored research scholars, the leave rules of the parent organization will be applicable.
- 18.6 Maternity leave will be given to the female research scholars as per the rules and regulations in vogue.
- 18.7 There will not be any paternity leave to male research scholars.

19. Conversion of Full Time to Part Time Research Programme

- 19.1 When a research scholar under Institute fellowship gets a job and as such he /she wants to leave the Institute; but simultaneously wants to continue with the PhD registration, conversion of Full time to Part Time is allowed under following conditions:
- 19.1.1 Research Scholar should have completed the residency period of six months.
- 19.1.2 Research Scholar should have completed the course work.
- 19.1.3 Conversion should be endorsed and recommended by DC and DPGC
- 19.1.4 NOC from the employer to continue with the PhD programme (Part–Time) at NIT Srinagar should be submitted.
- 19.1.5 NOC is to be submitted within 12 months from the date the Research scholar is relieved for joining the job.

-
- 19.1.6 Till the candidate submits the NOC from employer, the registration will be kept in abeyance.
- 19.1.7 During the abeyance of registration period, Semester fee will not be paid by the candidate.
- 19.2 Sponsored full time research scholars admitted under different categories, after spending 2 / 3 years (or duration as was permitted by their parent organization) at Institute, and have to join back their parent organization.
- 19.2.1 In cases a full time sponsored research scholar has not been able to complete the PhD within the stipulated duration; their registration will be spontaneously converted from full time to part time from the date of relieving from this Institute without any permission or any other document from the parent organization. Full time to part time conversion will also be mentioned in the relieving order, after which they can join the parent organization.
- 19.2.2 However Full time to part time cognizance will only be given, after producing a copy of joining report / or acceptance of joining report from their parent organization.
- 19.2.3 In case a sponsored research scholar has given pre-PhD submission presentation; the sponsored research scholar should be relieved entirely after the completion of NDC.

20. Withdrawal of PhD Registration

- 20.1 Complete withdrawal of registration can be processed on the request of the candidates, duly endorsed by the concerned supervisor and HOD. The candidate will have to submit an affidavit attested by First class Magistrate mentioning that withdrawal of registration is requested on his / her own wish and will; and in future he / she shall not claim for renewal or continuation of registration in this PhD programme. The PhD programme of the candidate will be entirely terminated.
- 20.2 For candidate who withdraws PhD registration immediately after having completed residency period and their entire course work under rules; credits of the course work can be saved. These credits will be counted in case the candidate comes back for re-admission in future. Such candidates can be considered for re-admission upon applying afresh under different categories, and if recommended for selection; will be exempted from course work. The candidate may be allotted same or different supervisor. The credits can be saved for a maximum period of 4 years from the date of withdrawal of registration. If the candidate is admitted afresh under sponsored part time category, the residency period will also be waived off.
- 20.3 For candidate who withdraws PhD registration due to any reason; after spending a significant amount of time and completing maximum number of requisite academic activities / assignments of the PhD Program like Research proposal submission, and publication of results etc, can keep his / her PhD programme in abeyance for a period of 3 years. Within a gap of 3 years the candidate can join back the PhD programme. If he/she has joined any organization; they have to produce an NOC / sponsorship from the employer. They can join as sponsored part time or full time if permitted by their employer. Gap in between will not be counted

towards the maximum registration period. They will be under the supervision of the same supervisor, even if a slot is not available with him / her. However If supervisor is / has been superannuated by the time candidate joins back, the clause (11.12) will be applicable.

21. Minimum and Maximum period of Thesis submission

- 21.1 Minimum duration for full time research scholars is 2 ½ (two and a half) years
- 21.2 Minimum duration for Direct PhD full time research scholars is 3 ½ (Three and a half) years
- 21.3 Minimum duration for part time research scholars is 3 (three) years
- 21.4 Maximum duration for full time research scholars is 7 (Seven) years
- 21.5 Maximum duration for Direct PhD full time research scholars is 8 (Eight) years
- 21.6 Maximum duration for part time research scholars is 8 (Eight) years

22. Publications:

- 22.1 At the time of submission of synopsis for PhD degree there should be 2 (two) mandatory non-paid peer reviewed SCI / SCOPUS / SCIE / ESCI indexed Journal publications.
- 22.2 The published research papers should necessarily be authored by the research Scholar and registered supervisor /s only.
- 22.3 Part time scholars of the Institute are supposed to communicate the research work for publications under the name of the Department and Institute. They may acknowledge their parent organization / sponsoring Organization.
- 22.4 After award of the degree, if the scholar is publishing any journal articles / book (s) / book chapter (s) from his PhD work, the affiliation needs to be that of this Institute.
- 22.5 Institute holds the Intellectual property rights (IPR) of all the Publications published out of the research work of the research scholar, whether during the PhD programme, or after the PhD degree has been awarded.
- 22.6 In case of any collaborative or additional work from other organization, co-author can be added from those organizations in published work, However IPR will be held by the Institute. This / These publication /s will be over and above the 2 mandatory publications. The research scholar has to report to the Department, regarding the quantum of work carried by the research scholar in collaboration with other organization, before the publication of this research work.
- 22.7 If at any instant of time it is observed that rules (22.1 to 22.6) of publications have been violated, stringent action will be initiated against the concerned.

23. Pre-PhD Viva voce examination and submission of synopsis

- 23.1 Prior to submission of the synopsis of the thesis, an assessment of the research work should be made by DC by a Pre-PhD Viva voce examination.
- 23.2 The candidate can submit the synopsis only if DC is satisfied about the adequacy of work for submission as a PhD Thesis.

- 23.3 The Chairman of the DC shall send the assessment report on the Pre-PhD Viva voce examination.
- 23.4 A (One) soft bound hard copy of synopsis and a soft copy in pdf format, along with other documents must be submitted to DAA duly forwarded by DC.
- 23.5 The synopsis must be in continuum text with important results and inferences. The synopsis is sent to the approved examiners for possible evaluation of the thesis. Hence it should be brief highlighting the important results and discussions. A brief synopsis also helps in obtaining an earliest consent from the approved and interested examiners. The Optimum page length of an excellent synopsis is typically 10 ~ 15 Pages. Synopsis should be written in the approved format
- 23.6 On successful completion of the Pre-PhD Viva voce examination the DC will recommend to the Director a panel of eight subject experts (four from India and four from foreign), prepared by Supervisor and forwarded by Chairman DC, to examine the thesis.
- 23.7 The documents submitted to the DAA along with synopsis should be as per the check list (ANNEXURE VI)
- 23.8 The thesis and Plagiarism report can be submitted within a maximum period of three months from the date of Pre-PhD viva. If not submitted within this stipulated 3 months, Pre-PhD viva has to be again conducted. The process of approval for the thesis submission will also be started afresh.

24. Plagiarism

- 24.1 All submitted PhD thesis are to be scanned for similarity Index before forwarding the same to examiners for evaluation.
- 24.2 Documents / Thesis to be screened for similarities index will initially be scanned by candidate him/herself by obtaining login and password from Coordinator Automation, Library Information and Resource Centre.
- 24.3 After scanning, research scholar will submit the document to supervisor concerned.
- 24.4 All supervisors shall also be assigned login and password on demand and will screen the dissertation / Thesis to their best satisfaction.
- 24.5 Main parameters which will determine the similarity Index for the submitted documents shall comprise of following:
- | | |
|-----------------------------|------------|
| 24.5.1 Exclude Matches | ≤ 10 words |
| 24.5.2 Exclude Bibliography | On |
| 24.5.3 Exclude Quotes | On |

-
- 24.5.4 Exclude Index On
- 24.5.5 Exclude self published work On
- 24.5.6 Similarities Index $\leq 25\%$ (excluding the Self-published work)
- 24.6 Final similarity Index certificate will be signed by Research scholar and Supervisor /s. Format is given in. They will be responsible for the similarity index report generated from Plagiarism check.
- 24.7 Concerned Supervisor will also give the certificate for exclusion of self published work.

25. PhD Thesis Submission

- 25.1 The PhD Thesis must be submitted within three months after the submission of the synopsis.
- 25.2 The synopsis & thesis should be written in the approved format
- 25.3 Research scholar shall submit 1 (one) soft bound hard copy of the thesis.
- 25.4 A soft copy of the thesis in pdf format is also to be submitted.
- 25.5 Scanned copy of duly signed similarity Index certificate will be attached with thesis at the time of thesis submission.
- 25.6 Hard copy of the Similarity index report, exclusion of self published work, and the plagiarism report showing the similarity with different sources should be submitted to DAA along with the soft bound hard copy of the thesis.
- 25.7 DAA office will issue a certificate to the research scholar certifying the submission of thesis.
- 25.8 PhD scholar can join any Research / Academic or any organization after submission of PhD Thesis for evaluation.

26. Evaluation of PhD (thesis) work by National and Foreign Examiners

- 26.1 On successful completion of the Pre-PhD Viva voce examination, a panel of eight subject experts prepared by Supervisor and forwarded by HOD / Chairperson DC to the DAA. The panel of examiners will have 4 (four) from India and 4 (four) from abroad.
- 26.2 Proposed panel of examiners should be subject experts with designation of Professor / Associate Professor from reputed Educational Institutions.
- 26.3 Experts (Indian / Foreign) from reputed Industries, Government / Semi-Government organisations or eminent R&D facilities may also be proposed with the designations like Directors or Scientist or Researchers or Team Leaders or Group Leaders or Project Leaders of equivalent grade or designations at least equivalent to that of Associate Professor.
- 26.4 The competence of the proposed examiner to evaluate PhD work submitted by candidate should be justified by their recent bio data.

-
- 26.5 Experts from the panel shall be appointed by the Director as external examiners in the order of preference, Except for 26.6
- 26.6 The Director being Supervisor or Co-supervisor of the Research Scholar, the Director's authority will be vested with DAA and authority of DAA will be vested with ADAA or ADE for the evaluation of thesis, conduct of viva voce, and approval of result notification, etc.
- 26.7 The DAA being Supervisor or Co-supervisor of the Research Scholar; the Director after appointing the panel in the order of preference will forward the file to AD (AA) or AD (E) as Director may deem to fit, for further necessary action. The DAA will not have any access to the file till the outcome of evaluation.
- 26.8 After the synopsis is submitted and the panel of examiners approved, the DAA will send a confidential email to each approved national and foreign examiner enclosing a copy of the synopsis and requesting him / her to serve as an examiner for the thesis. Except for 26.7
- 26.9 For 26.7; 26.8 will be accomplished by AD (AA) or AD (E) as approved by Director.
- 26.10 If the examiner refuses or no response is received within 15 days, then the examiner approved at preference no. 2 of the panel is approached and his/her consent sought for evaluation of the thesis.
- 26.11 On receipt of the acceptance of the examiner, a copy of the thesis along with the thesis evaluation form (ANNEXURE VII), and remuneration bill form (Indian: ANNEXURE VIII; Foreign: ANNEXURE IX) will be sent to each examiner as softcopy (by email). On the insistence of examiner soft bound hard copy of thesis can also be sent.
- 26.12 An examiner will be given 90 days time to evaluate the thesis and submit the evaluation report.
- 26.13 The remuneration for the thesis evaluation shall be @ USD 400 for foreign examiners and INR 5700 for national examiners.
- 26.14 The evaluation report submitted by the external examiners will be forwarded to the Supervisor through HOD / Chairperson of DC. Both the evaluation reports will be sent together, even if there is a time lag between the receipts of reports by the Dean (AA).
- 26.15 The comments /suggestions if any by the examiners, have to be incorporated in the thesis by the research scholar. After correcting the thesis as per the suggestions / comments (if any) of examiners; Report regarding the same will be submitted by the research Scholar through DC and should be forwarded to DAA for further process.
- 26.16 **Unsatisfactory Report of Thesis**
- 26.16.1 External examiner may recommend the major revision (Point No 3 of the evaluation report). Upon the completion of major revision by the research scholar, revised thesis will be

submitted back to the examiner. The DC along with Supervisor should ensure that corrections / suggestions given by the examiner have been properly incorporated in the thesis.

26.16.2 If an external examiner recommends the major revision (Point No 3 of the evaluation report) of thesis in the second spell of evaluation also, then thesis will be sent to the next approved examiner in the panel. However the examiner in question will be paid the remuneration for the evaluation of thesis as per the rules.

26.16.3 In case, second examiner also recommends a major revision in the first spell of evaluation, the case will be referred to Director and will be resolved on the pattern of clause 16.4.2. The examiner in question will be paid the remuneration as per the rules.

27. Conduct of final Viva Voce Examination

27.1 On receipt of the satisfactory reports from both the examiners clearly recommending the award of PhD degree, and the submission of report regarding the incorporation of suggestions (if any) in the thesis, the approval for conduct of Viva-Voce Examination (VVE) examination shall be obtained from the Director.

27.2 The PhD VVE examination shall be an open examination.

27.3 The chairman of the VVB will fix a date for the oral examination in consultation with the members of the board and intimate the date to the Academic section.

27.4 Information regarding conduct of PhD viva voce should be notified by ADE/HOD to all Departments for participation of interested faculty and students.

27.5 The national examiner shall conduct the oral examination of the thesis at the Institute premises, for which a remuneration of INR 5000 shall be paid in addition to TA/DA as admissible under rules. The thesis evaluation remuneration for Indian examiner shall be paid along with the remuneration for oral examination.

27.6 In case the national examiner who had evaluated the thesis cannot conduct the oral examination, another examiner as per preference from the approved panel shall be requested for the conduct of oral examination.

27.7 The research scholar will have to defend the thesis before VVB consisting of following members as follows. Their presence is obligatory, without which VV cannot be conducted.

27.7.1	Head of the Department	Chairperson
27.7.2	DAA or his nominee [AD(AA) or AD(E)]	Member
27.7.3	External Examiner (Indian)	Member
27.7.4	Supervisor	Member
27.7.5	Co-Supervisor (if any)	Member

27.8 Following will be the invitees in the VVB, although their presence is not mandatory

27.8.1 **Directors Nominee of DC** **Invitee**

27.8.2 **Departmental Member of DC** **Invitee**

27.9 In case of HOD being Supervisor / Co-supervisor of the research scholar, DAA is the Chairperson of VVB. The Chairperson of DC will represent the HOD / Department.

27.10 In case of DAA being Supervisor / Co-supervisor of the research scholar, DAA will be represented by AD (AA) or AD (E).

27.11 For the cognizance of 26.6, ADAA or ADE will be the member of VVB instead of DAA.

27.12 Viva voce examination of a candidate can be conducted through online mode; in case National Examiner is unable to come to Institute. The other modalities for conduct of examination will remain same.

27.13 The PhD scholar shall have to give a presentation of his / her work before the VVB and answer the questions put to him / her during the presentation.

27.14 The research scholar should also prepare a hand out in softcopy, whereby he / she has shown to have incorporated all the comments and suggestions recommended by both of the examiners. This should be compulsorily part of presentation.

27.15 In case any of examiner's has recommended specific questions to be answered in VVE, the scholar has to prepare the answers and exhibit it as a part of the presentation in front of VVB.

27.16 Research scholar is advisable to keep the soft copy of updated thesis ready at the time of VVE. No hard bound copy of the updated thesis should be prepared or submitted at this stage, however if scholar desires, a soft bound hard copy of the thesis is welcome.

27.17 If the VVB declares the performance of the student unsatisfactory, the scholar will be asked to present another oral examination in front of VVB at a later date. Date should not be earlier than a (one) month, but not later than 3 (three) months from the date of this oral examination.

27.18 VVB should ensure the compliance of 27.14, 27.15, and 27.16 by the research scholar.

28.Submission of final thesis:

28.1 After the conduct of successful viva-voce examination (VVE), the final copy of thesis is prepared. In case certain suggestions / comments are put forth at the time of VVE, the same should be incorporated in the final thesis. Hard bound thesis should not be prepared before the conduct of VVE.

28.2 One copy of hard bound thesis will be submitted to the concerned Department, and will be preserved by the Department.

28.3 Soft copy of the thesis having scanned copies of the approval sheet duly signed by Supervisor and Plagiarism similarity index certificate / report will be submitted to LIRC.

28.4 LIRC will issue No Dues certificate only after the submission of soft copy of the Thesis by the Scholar.

28.5 LIRC will also upload the thesis on INFLIBNET and NDL.

-
- 28.6 The hard copy of the thesis will be prepared by the research scholar for submission to Department, Supervisor / s, and for himself / herself.
- 28.7 Concerned Department will issue the No Dues only after the submission of hard bound thesis by the scholar.
- 28.8 The colour code for PhD thesis is strictly **MAROON RED**

29.Award of Degree

- 29.1 The VVB examination board shall give the recommendation for the award of PhD degree in favour of the research scholar.
- 29.2 The report will be communicated by the Chairman VVB to the DAA.
- 29.3 The recommendations of the VVB are forwarded to ADE for the declaration of result notification after obtaining the approval from Director.
- 29.4 The result notification will be uploaded on the Institute website.
- 29.5 The Institute will not publish the result notification in any news paper or magazine etc.
- 29.6 The PhD awardee is at will to get published result notification in any news paper or magazine at his / her own expenses. The contents of the published result notification should be exactly same (word by word) as issued by the Institute. In any case, if it is found that contents of the published notification are different from that issued by the ADE, The Institute reserves the right to take legal action against the awardee or the person responsible for the publication of result notification.
- 29.7 Provisional certificate can be issued in favour of the PhD awardee after submission of a duly signed NDC under rules.
- 29.8 The migration certificate can also be issued if applied for.
- 29.9 The Senate may authorize its Chairman to recommend to the Board of Governors, a candidate for the award of the Degree of Doctor of Philosophy, if he/she has completed all the requirements successfully and has been recommended by the VIVA VOCE EXAM BOARD.

(vii) **Publication/Patent:** The results of JRF/SRF/RA's research work may be published preferably in standard refereed journals with the concurrence of the Fellow and his/her Supervisor / Advisor. It should be ensured by the fellow that the assistance provided by the funding agency of Government of India is acknowledged in all such publications.

(viii) **Obligation of JRF/SRF/RA:**

- a) He/ She shall be governed by the disciplinary regulations of the host Institute where he/she is working.
- b) The JRF/SRF/RA must send a report of the research work done during the period of Fellowship as may be asked by the sponsoring agency.

3. The number of fellowships shall remain the same as is existing, unless modified with the approval of MHRD. The Departments / Agencies are requested to ensure that the above guidelines are followed in regard to the remuneration and other benefits to the research personnel engaged in R&D projects funded by them.

4. Selection for award of fellowship shall ordinarily be through common competitive examinations. However, for subjects where there is no examination presently, Government Departments and their authorized agencies and institutions may start conducting examinations to screen candidates for award of fellowships. This shall not be applied retrospectively and the persons already enrolled shall be exempted.

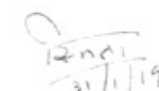

5. In order to further enhance value, quality and experience in doctoral research, the Government has agreed to incentivize the research output for e.g. in the form of publications and patents. The proposals to incentivize research output will be considered separately and modalities for its implementation will be evolved.

6. **Date of Effect:** The revised emoluments will take effect from 01.01.2019. The requirement of funds should be worked out and the additionality should be met from the existing budget of 2018-19 through matching savings.

7. The Chairman UGC, Chairman AICTE and the Bureau Heads of the Department of Higher Education in the Ministry of Human Resource Development responsible for management of the Institutions of National Importance are requested to convey this to all the institutions under their supervision immediately.

8. This issues with the approval of the Minister for Human Resource Development.
