- **Introduction**

National Institute of Technology Srinagar is a Centrally Funded Technical Institute under the aegis of Ministry of Education (previously Ministry of Human Resource Development) Government of India.

National Institute of Technology Srinagar (formerly Regional Engineering College) was established in July of 1960, by a joint venture between the Government of India & the erstwhile State Government of J&K during the Second (Five Year) Plan. It was among the first batch of 8 such Institutes that were set up across the country. The other seven Institutes were located at Allahabad, Bhopal, Durgapur, Jamshedpur, Nagpur, Surathkal & Warangal.

The Institute initially functioned at the historical Chinar Garden of Naseem Bagh, Srinagar; adjacent to the campus of the University of Kashmir on the North side. The Institute eventually shifted to its present campus in the year 1966 & has functioned here ever since.

The Institute was elevated in the year 2003, to function as one of the 30 National Institutes of Technology across the country & was granted with 'Deemed to be University' status by the Ministry of Human Resource Development (MHRD), Government of India & University Grants Commission (UGC).

- **Vision**

To establish a unique identity of a pioneer technical Institute by developing high quality technical manpower & technological resources that aim at economic & social development of the nation as a whole & the region, in particular, keeping in view the global challenges.

- **Mission**

To create a strong & transformative technical educational environment in which fresh ideas, moral principles, research & excellence nurture with international standards.

To prepare technically educated & broadly talented engineers, future innovators & entrepreneur graduates with understanding of the needs & problems of the industry, society, state & the nation.

To produce engineers who possess the highest degree of confidence, professionalism, academic excellence & engineering ethics.

- **Objectives**

- I. To provide the best educational infrastructure for imparting high-class education in science & technology & a creative atmosphere for inter-disciplinary research both by the students & the faculty.
- II. To enhance the quality of teaching by strengthening the teachers' professional capabilities to meet the growing educational aspirations of students.
- III. To upgrade the syllabus & re-frame the course curriculum periodically in order to produce creative & capable engineers who meet effectively the growing job requirements.
- IV. To inculcate amongst the students the highest standards of honesty, accountability, moral integrity, tolerance for diversity, & respect for ethnic & religious differences so as to make them good human beings.
- V. To develop amongst the students a strong personal commitment, as a member of the engineering professional, towards social outreach activities.
- VI. To produce engineers having ethics of engineering profession, complete confidence in decision making & a good social outlook in all their activities so that they perform their duty to the best satisfaction of the organization & to the society.

1.2. The powers and duties of Institute officers and employees.

Director is the Principal Academic and Executive Officer of the Institute. The Director shall be responsible for the proper administration of the Institute, for the imparting of instruction and for maintaining discipline therein. The Director has the power to incur expenditure in accordance with the procedure laid down by the Board and the MHRD from time to time.

The Registrar is the custodian of records, funds of Institute and such other properties of the Institute.

Other officers and staff of the Institute assume powers, responsibilities and duties as assigned to them time to time by the Director.

The powers and duty of officers and employees are derived from NIT Acts and Statutes.

For more details on Power and duties of officers at NITs please click on the link.

1.3. The procedure followed in the decision-making process, including channels of supervision and accountability.

- **Decision making process & related provisions, acts, rules:** The Institute has a Director, a Registrar, 6 Deans, 12 Heads of the Departments, more than 160 Faculty members, 2 Deputy Registrars and 6 Assistant Registrars who are in turn supported by technical, ministerial & office staff to carry out the various functions of the Institute as per procedures laid down in the NITSER Act, NIT Statutes and by the BoG from time to time. Each controlling officer listed above is primarily responsible for taking decisions pertaining to the office/department he/she is in charge of.

For more on Key Decision-Making Points please click on this link;

- **Final decision-making authority:** The Director of the Institute takes decision regarding students' affairs, staff affairs, facilities of the Institute and the infrastructure on the campus. The final authority to vet and decision lies with the Board of Governors. The decisions are communicated to public by notices, announcements and are published on Institute website and Newspaper advertisements.
- **Time Limit:** There is no defined time limit; however, each decision is expected to be taken within the shortest possible timeframe to avoid inordinate delay in work.
- **Channels of supervision and accountability:** All staff Members are held accountable for the work he or she is assigned by their controlling officer. Overall performance of each staff member is assessed & reviewed every year based on the system of Performance Appraisals.

For more on channels of supervision and accountability please refer to the Organogram given on page 4;

1.4. The norms set by it for the discharge of its functions.

Academic Programmes: Norms and standards for various academic programmes of the Institute are set by the Senate, which also monitors progress and achievements of students undertaking various academic programs.

Administrative Activities: Norms and standards for administrative activities are set and monitored by the BOG in line with the Acts, Statutes and other rules of the Institute.

These services can be accessed on the basis of norms / standards for functions / service delivery given in Citizen Charter.

- ***Process to redress grievances***

Process to redress public grievances: NIT Srinagar follows the instructions issued by DARPG to redress the public grievances. The Grievance Cell at the Institute receives & redresses all public grievances in a maximum Turn-Around-Time of 30 Days.

Moreover, NIT Srinagar has identified processes/tasks whereupon decisions are to undertaken routinely. As such, in order to streamline the processes, a maximum Turn-Around-Time is assigned to each such process or policy decision to reduce the instances of grievances.

For more on Maximum Turn-Around-Time assigned to each task/process/decision, please click on this link;

Process to redress internal grievances: The Institute also has a dedicated Grievance Committee; constituted for receiving complaints/grievances of Students, Faculty & Non-Teaching Staff. The committee headed by a chairman independently verifies the veracity of the grievance and strives to redress the same to the satisfaction of the aggrieved in the shortest possible timeframe.
