National Fellowship and Scholarship for Higher Education of ST Students

**Subject: Submission of correct annual income certificate under the Scholarship for National Fellowship and Scholarship for Higher Education of ST Students.**

Sir/Madam,

I am directed to refer to the subject mentioned and to say that it has come to notice of the Ministry that fresh category students are submitting incomplete income certificates when applying for scholarships (fresh application). Specifically, they are submitting either their father's or mother's individual income certificate instead of a combined family income certificate.

2. To ensure compliance with the scholarship guidelines, the Ministry requests that all fresh applicants to submit a combined family income certificate issued by a competent authority. This certificate should reflect the total income of both the parents. The student can either merge their individual father's and mother's income certificates or submit a single family income certificate that includes the total family income.

3. For further clarification, Part B of the National Scholarship Scheme, paragraph 2.2, of the National Fellowship and Scholarship for Higher Education of ST Students - Scholarship (formerly Top-Class Education for Schedule Tribe Students) scheme guidelines may be seen (copy enclosed).

4. In view of above, it is requested to ensure that all applicants (fresh cases) submit the correct document and also to inform the fresh applicants to obtain the correct income certificate from the competent authority. For students who submit the incomplete income certificate, please mark it as defective and return it to the students for re-submission.

Enclosed: As above

Yours faithfully,
