

ONE DAY VISIT OF STUDENTS OF ADOPTED SCHOOL NANIBOUGH, KULGAM TO NIT SRINAGAR

National Institute of Technology Srinagar (NIT Srinagar), one of the Regional Coordinating Institutes (RCI) of Unnat Bharat Abhiyan (UBA), organized One-Day visit for the students of adopted school Government Middle School Nanibough, Kulgam on 29th August 2022. The purpose of the visit was to make students familiar about various labs of the Institute and to give them exposure to modern Scientific and Professional education. The visit was attended by 55 students along with 8 faculty members of the adopted school. The students visited Physics Lab where Dr. Vijay Kumar, Assistant Professor Department of Physics interacted with the students and presented them demonstration on scientific discovery and innovations, students were also introduced to various instruments in the lab by faculty members and research scholars. Students also visited the Chemistry Lab, Dr. Kowsar Majid, HOD Chemistry interacted with the students and briefed them about use of chemistry in our daily life. Various experiments were shown to the students by the other faculty members. Students also visited CRFC and Tribology lab where they were introduced to various machines by Dr. Nadeem Ahmad Bhat, Technical officer CRFC.

The visit proved to be highly beneficial for the students. In the end Prof. M. F. Wani facilitated all the students with the stationery kits. Overall, it was a fruitful visit for the students.
