

Name of prospective Supervisor	Area of Specialization
1. Prof. G.M. Rather	Communication .networks , Microwaves
2. Prof. Najeeb-u-din	VLSI, microelectronics, RF IC design, Device Modeling
3. Dr. Farida Khursheed	Image processing, Biometrics, Security
4. Dr. Gousia Qazi	Semiconductor opto- electronic devices Optical Fiber Communication Systems Communication Systems (RF domain)
5. Dr. G. R. Baigh	Wireless Communication Digital Communication, Antennas
6. Dr. Aamir Ahsan Assistant Professor (on contract)	Nanoelectronics
7. Dr. Shahid Mehraj Assistant Professor (on contract)	Machine Learning, Information Theory, Wireless Communication
8. Dr. Omkar Singh Assistant Professor(on contract)	Biomedical Signal processing
9. Dr. Amendeep Singh Assistant Professor(on contract)	VLSI, Semiconductor Devices
